Best primary schools in alimosho. Who is alberto mvila. Best primary school in aba.

We acknowledge this land where we play and work is the traditional lands of the Kurna people and we respect their spiritual relationship with their country; the land, the creatures, the plants and waterways. We also acknowledge the Kurna people as the custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kurna people today. We respect their Elders past, present and future. This page contains links to policies & forms available for download as well as information about school procedures for parents. Policies A - Z Child Safety Policy Child Safety Code of Conduct Commitment to Child Safety & Wellbeing Parent Payment Arrangements Responding to & Reporting Suspected Abuse Other Alberton Primary School policies are available on request from the school office. Procedures A - Z Absence from School If your child is absent from school for any reason, you must provide a written explanation or phone the school. If your child/ children are unwell, they are far better to remain at home until well enough to attend school. Bus Travellers Alberton Primary School is serviced by three school buses. The arrangements for your child are recorded with the bus coordinating school when you register for bus travel. If, for some reason, you wish to change this procedure then please let us know in writing, by phone or by informing the office staff in person. At 3.30pm each day, children travelling on buses assemble in their groups at the bus area. Teachers supervise and help them to get on the correct bus. Behaviour on the buses is expected to be of the highest standard. Excursions To enhance the school programs, teachers arrange for the children to be taken out of the school on extra curricula activities. Written approval will need to be given for all excursions involving buses or private cars. Students must wear full school uniform on all school excursions. Lost Property We encourage parents to ensure that their child's clothing is named. Clothing that is found and has a name will be returned to its owner;

however, other clothing will be housed in the lost property stand which can be accessed through the front office. After a time it will be cleaned and placed in the second hand uniform shop. Parking at the School Parking spaces are limited at the school. The parking areas are signposted and run along the northern fence of the school (Thomson Street). This area enables parents to drop off or pick up their children and keeps the bus loop free for bus arrival and departure. When picking up your children at the end of the day we request that parents collect their children from inside the gate. Student safety is of the highest priority and parent cooperation is vital. Personal Goods at School Children are discouraged from bringing private property to school as this causes great distress when these items are broken or lost. The Department of Education and Training (DET) and the school are not responsible for any damage or loss to private property. Children are not allowed to bring any electronic games, listening devices or mobile phones to school. These items are not insured. School Uniform Our school uniform colours are navy and gold for all children in Prep to Grade 6. Students in Grade 6 have the option of wearing a personalised Grade 6 rugby top. The wearing of our school uniform is compulsory. A wide brimmed hat must be worn at all times when outside in Terms 1 and 4. The office has a range of new and pre-loved clothing for sale at reasonable prices. Download the School Uniform Price List here. Visitors to the School Visitors and parent helpers are required to sign in at the front office of the school where the Visitor's Book is located.
